Hi Eddie,

Yup. Go to <https://www.eecs.qmul.ac.uk/awstats/awstats.pl?month=all&year=2016&output=urldetail&config=www.eecs.qmul.ac.uk-users&framename=index> (you'll need to authenticate with your EECS credentials) and put xz303 in the filter box and click "OK".

There ya go!
